Melinda Dimmerling.

I don't think anything else happened. It was just another year.

No it wasn't. Take a look at this page.

What about it?

Unfold it. It POPS UP—a first for Perry's yearbook. And look at those pictures. A photographer went UP in an airplane to take them.

Nice. Why are there two?

The top one was taken in 1963, the other this year. A lot of things have popped up on Perry's campus since 1963.

Oh yeah, the vocational wing is missing, and the new gym and pool.

That's not all. The Stark County branch library popped up along with a larger parking lot, more tennis courts, and this year the new township building, just to name a few.

I guess new things do keep happening at Perry.

Hi! Did you pick up your yearbook yet?

Yeah, it's about time. I liked it when it came out in June.

Well, that's just one of the New Things that Keep Popping Up at Perry.

That's on the cover. What does it mean?

It means that a lot of changes have taken place at Perry during 1981-82.

Like what? It all seems the same to me.

Well, as I've already said, yearbooks coming out in August instead of June.

That was a stupid idea.

Not really. With more time to work, the staff covered the entire year in one yearbook instead of two. Now you don't have to buy next year's book to have coverage of this spring's events.

Yeah?

Yeah! Let's see what other new things popped up . . .

John Schuld shows school spirit by dressing up on hat-and-tie day.

Have you noticed how school spirit is UP?

Say what?

Well, during football season, we had several hat-and-tie days and Perry pride days.

Are you sure?

Yeah, and during basketball season we had school shirt days, preppy day, and an unofficial punk day.

Oh, now I remember.

Spirit is really UP!

As many new things popped up in the school, the new Township Building which houses the police department popped up on Perry's grounds.

**I'm starting to catch on now.
Let me give it a try.**

I don't know . . .

Aww, come on!

Alright, go ahead.

Well, record low temperatures POPPED UP on January 11 th and 12 th, and we didn't have school.

The temperature didn't pop up, it went down.

Oh, I guess you're right. What else popped up?

How about class spirit? Class rivalry was at a high this year.

It was?

Yes, it was. Didn't you see all of the class shirts and pins that everyone was wearing?

Yeah, I guess things are UP at Perry!

Now you've got the idea.

Fireworks, dummy.
Oh, yeah—things keep popping up.
Right! You're catching on.
Well?
Well what?
Well, what's so new about Perry's clubs and activities? Nothing I've seen.
The pep club remained active for the entire year—that's new.
Yeah, anything else?
Extracurricular participation is always UP at Perry.

"We've got tonight"

Junior—Senior Prom, 1981

On May 16, 1981, 520 students gathered at the Canton Civic Center to share a memorable evening at the Junior-Senior Prom. With the supervision and hard work of Mrs. Connie Leontas, Mrs. Jan Byder, and Mr. Joe Demaree, the junior class sponsored one of the most successful proms in the history of Perry High School. The prom, held in the beautifully decorated McKinley Room, broke the attendance records of previous proms. The theme, "We've got tonight," established a romantic mood as couples danced to the music of "Act II" and dreamed of the future.

Above right: "Rat-Tat-Tat," performed by Kim Bossler and company, is the major production number that portrays Fanny Brice's big break into show business. Right: Three nosey neighbors, played by Chris Thomas, Tricia Seich, and Bobbi Pack, give advice to Mrs. Brice (Joyce Dolmas) about Fanny, her stubborn, not-so-pretty daughter.

Funny Girl

Perry Players triumph in 20th season

The Broadway musical **Funny Girl** was an excellent way to celebrate the 20th anniversary of the Perry Players. **Funny Girl,** which tells the story of the famous Ziegfeld Follies when comedienne Fanny Brice was a bright new star, was presented April 23, 24, 25, 26. The full house audiences were captivated by the superb performances of the talented Kim Bossler and the dozens of students in the supporting cast and crew.

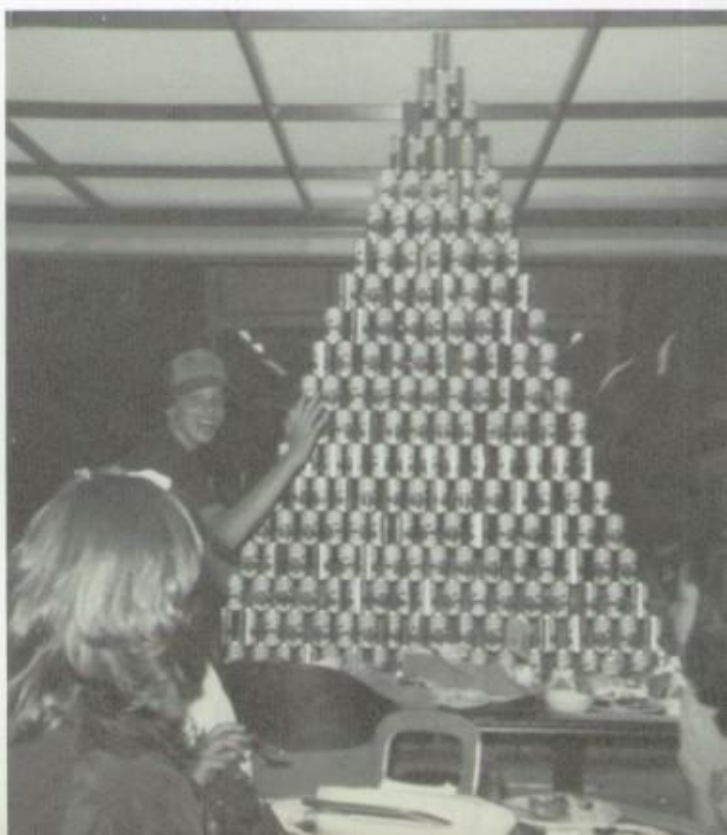
Choir Trip

Six days of fun in the Florida sun.

In May 1981, the Perry High School choirs took a fun-filled six day vacation to Florida. Two-hundred twenty five members and twenty-five chaperones took six Greyhound busses to sunny Orlando. The choirs performed at Walt Disney World and visited ocean side Jetty Park Beach.

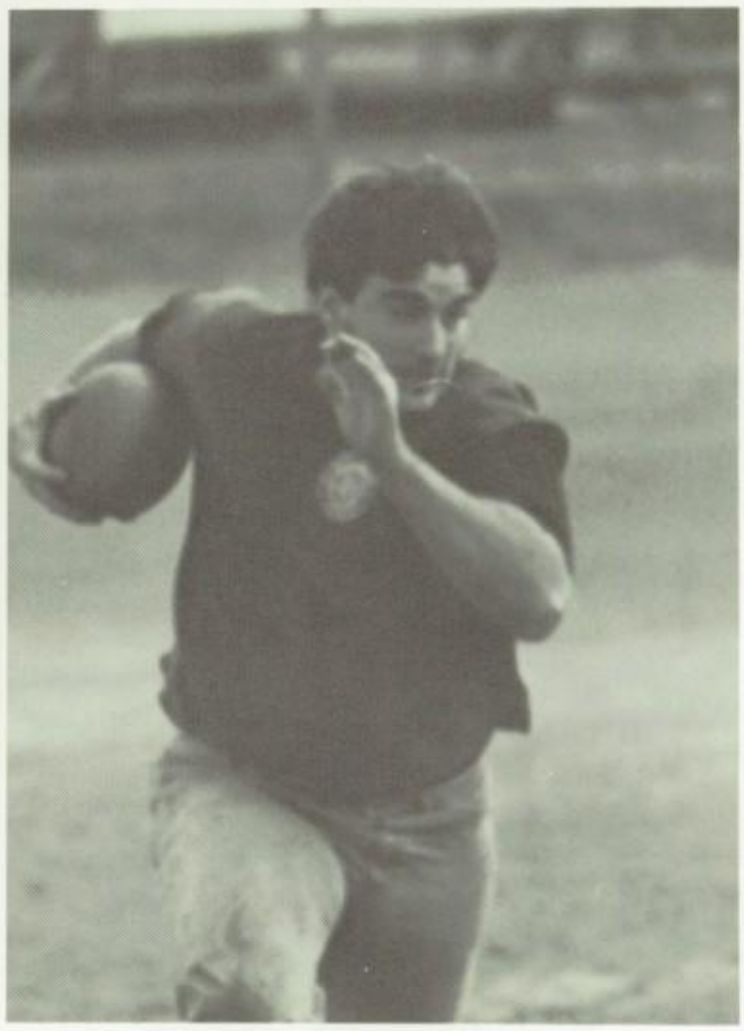
Clockwise from top: Chris Ramos is sculptured into a frog in the sand at the ocean; Steve Coss is prepared for the warm weather; Rob Maciag presents a 190-can pyramid the choir members made in a South Carolina cafeteria; Marsha Modranski asks, "Which one's Goofy?"; Mark Demaree and Mike Barnhouse spot a large sea turtle on the beach.



Band Football

Band posts an impressive 6-1 record to win Federal League.

During the fall, certain members of Perry's marching band played friendly games of football with band members from other schools. Action and excitement filled the air as Perry experienced the thrill of victory and the agony of defeat.



Clockwise from top left: Jon Seybold cries, "It's my football and nobody can have it!"; Mike Briney tries to maneuver around the opponent; Dan Flickinger runs for a touchdown; The team perfects their strategy in the huddle.

Perry Players

Fairy godmothers delight children.

To open their 21st season, the Perry Players presented the Children's Theater production of "The Three Fairy Godmothers." On Saturday, October 10, this enchanting play with a cast of nine, delighted children of all ages with its color, action, and suspense. At both performances, the children were entertained by evil witches, charming princes, and, of course, the three fairy godmothers, Hepsabah, Hortense, and Hoplandria.

Lower left: Prince Royal (Rob Walther) explains how the mushrooms rob the witch of her magical powers. Lower right: The three fairy godmothers, played by Kelly McWilliams, Donna Rittenhouse, and Carol Bossler, concoct their magical poison.

On the evenings of November 19, 20, and 21, Perry Players present their traditional "Theatre Sketches in the Round." Under the leadership of Mr. Mattachione and student directors, Randy Fogle and Laurie Sauer, twelve of Perry's finest actors presented six sketches ranging from serious drama to comedy.

1982 Musical

April 15,16,17 and 18, 1982 brought the climax of the Perry Players' 21st season; this year's Broadway musical, **Annie Get Your Gun**, revealed the usual excellent results and again, as usual, played to full houses. Irving Berlin's **Annie Get Your Gun** tells the legend of one of Ohio's first heroines, the gun-toting, sharpshooting Annie Oakley, who was born in Darke County in 1860, and Frank Butler, the great love of her life. With such colorful characters as Buffalo Bill and Chief Sitting Bull, **Annie** was a very enjoyable blend of the Wild West, the Ohio frontier, and early show business.

Prom—1982

Under the direction of adviser, Mr. Lewis, and with much hard work of the junior class, the Perry High School Prom was held May 7, 1982 at the Canton Civic Center. The McKinley Room was elegantly decorated for the theme "Stairway to Heaven," and the music was provided by the band "Getaway." From eight-thirty to eleven-thirty p.m., the large crowd in attendance enjoyed an evening of portrait-taking, music and dancing, flowers, refreshments, beautiful clothes, and much good company.

Beautifully decorated "Stairway to Heaven" dazzles large crowd.

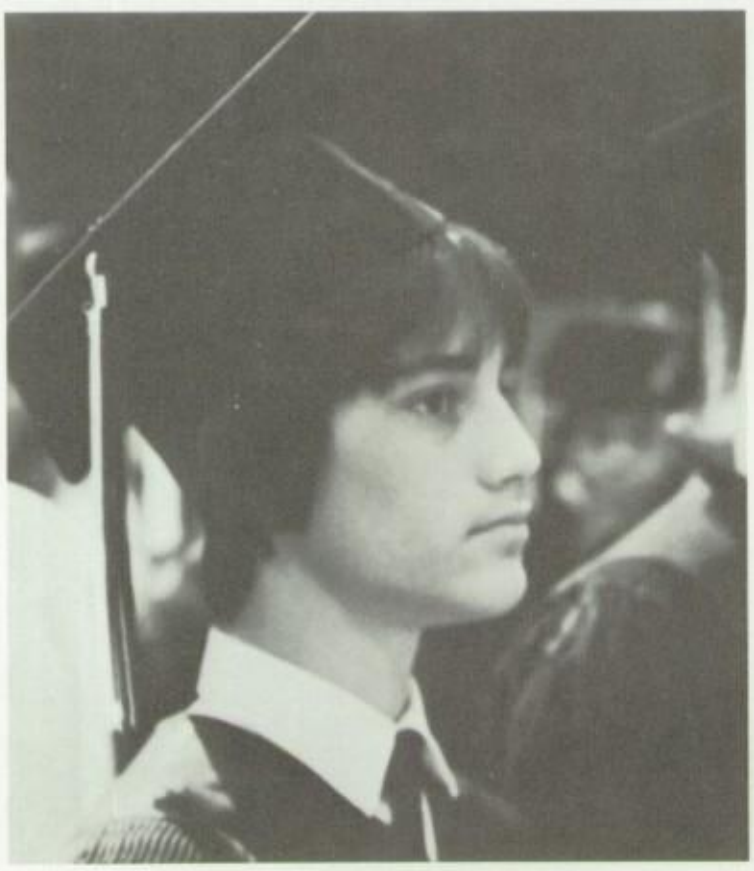
Commencement—1982

After twelve years, the end is really just the beginning.



On Sunday, May 23, the Canton Baptist Temple was the scene of graduation exercises for 499 members of the senior class of Perry High School. Vince Capuano, president of the senior class, led the "Pledge of Allegiance" and the National Anthem; Paul Steiner, Superintendent, introduced the main speaker for the day, Joseph Toot, president of the Timken Company. After Principal Bill Roland presented the Class of 1982, deserving members received their diplomas and congratulations from three Board of Education members, Jerry Frederick, Ron Lytle, and Mike O'Donnell. Perry choral groups, Acappella and Pipers, were led by choral director Allen Lucas, who also served as organist for the ceremonies. Invocation and benediction were given by the Rev. Robert Walther of the Perry Christian Church.

Perry Political Action Association

Promotes political involvement.

The Perry Political Action Association which is primarily a student led group, is set up to advance interest in and involvement in government and politics. This group holds mock elections before regular elections to get the student body's opinion of politics today, attends actual trials, and offers a scholarship to a worthy senior. This year, the association had a chili supper with the band parents before the Perry-Canton South basketball game to raise money for its $250 scholarship.

All right! Sports, my favorite!

Any new things in sports?

Yeah, intramurals are new. If you didn't play on the school team, you could form your own team for the intramural league.

That's right! And the golf team had their best season ever.

They were sectional and Federal League champions, weren't they?

Yes. All of the sports plus their team records are in this section, too. And who could forget cheerleaders, marching band, and homecoming?

Golfers tee-off to their best season ever.

The 1981 golf season proved to be the most successful in Perry history. Coach Whetstone's team compiled an 18-3 record, and won both the Federal League and the Sectional championships. Senior Vince Capuano, who was voted MVP and All Federal first team, had the best season average, 38.7. Voted most improved, senior Rick Porrazzo also made All Federal League first team. Junior Bob Spino earned an All Federal League Honorable Mention pick and set a course record at Meadowlake with a score of 32. He also had the best individual record on the team, 17-3-1. Completing the strong varsity team were senior Greg Sibert and sophomore Ralph Capuano.

The 1981 football season began with an air of excitement and the anticipation of superb performances from senior quarterback Rick Catazaro and returning starters Brett Lantz, Gino Millin, John Hornyak, Joe Gilchrist, and McKinley Lancaster.

The opening game against neighboring rival, Massillon, showed the emotion of the group as they played well in a tough loss. The season progressed with general team improvement and exceptional performances from Brett Lantz, and John Hornyak in a heartbreaking loss to Federal League champions, the Louisville Leopards. McKinley Lancaster excelled in a come-from-behind victory at Marlington. Mark Gresser and Rick Catazaro both set single game records in an aerial loss to North Canton. Gino Millin was exceptional in the tie game with Jackson.

The disappointment over this tie game seemed to spur the Panthers toward a three-game winning streak; seniors Scott Kozinski, Don Boggs, Keith Myers, Rod Digman, and Ted Karam were instrumental in these wins over East Liverpool, Marietta, and Canton South. The Panthers then traveled to Steubenville to battle the state-ranked Big Red in a memorable, crushing 15-13 defeat.

Perry Cheerleaders

The 1981-82 Perry varsity and reserve Cheerleaders completed another successful year leading fans in support of Panther teams. After practicing all summer, the cheerleaders were rewarded with first place honors at the United States Cheerleaders Association camp. The hard work by these girls was an important contribution to the teams they supported.

1981 Perry Girls Tennis

Lady Panthers complete a very worthwhile season.

1981 was a rebuilding year for Perry's ladies tennis team. Only senior captain Lori Angelo had previous experience. Although the team's 4-14 record and sixth place finish in the Federal League was not all that was hoped for, the lady Panthers improved greatly during the season and always maintained a good competitive spirit. Sophomore Gina Angelo had the best single record with five wins against two losses at the third singles spot. The girls promise a good season next year with the improved and experienced returning players.

Perry Cross Country

After a strong 2nd place finish a the Dover Invitational, Perry's 198 Men's Cross Country team was in fo a season full of devastating injuries. A team of hard work and great dedica tion was shattered by the loss of top runners Arner, Schreck, Bradley, and Lynn for much of the season. Suffer ing its first losing season since 1974 the team finished 5th in the federa league. Senior Joe Schreck earned 1s team all county and all league. He also set a school record in the 2 ½ mile with a time of 12:45.

Girls' Softball

1982 proved to be the best in the three-year history of the Perry girls' fast-pitch softball team. The team won nine of their first eleven games enroute to a 15-9 final record. After a five-game slump, the girls finished the season strongly with a four-game winning streak. Highlight of the season was a one-hitter victory—pitched by junior Amanda Haiduc—over previously unbeaten Tuslaw. Junior Laurie Allen led all hitters with a .400 batting average. Since the team will not be losing anyone to graduation this year, Coach DiAntonio is anticipating an even better season next year.

Intramurals

High caliber basketball marks first year of intramurals

In an attempt to increase the opportunity for those students not involved in a varsity sport, Coach Larry Wilson began the Perry Intramural Program. Twelve basketball teams responded to create the very competitive league. Each team played an eleven-game schedule and in the tournament following. In first place with an 11-0 record, the Black Panthers finished with a perfect season. They also won three tournament games to take top honors. The Runnin' Rebels and Mean Mean Sweet Machine tied for second place followed by the Goody Brigade and the Dirty White Boys.

What's this? Academics?

It's all of the classes that Perry offers and the teachers who teach them.

Really? Anything new pop up?

Yes, this year we have a new principal—Mr. Roland, two new assistant principals—Mr. Demaree and Mr. Fortner, and a new secretary—Mrs. Petrovich, plus three new teachers.

Ok, anything else?

Yeah, we can't leave out the new acoustical carpet in the math rooms!

On March 2, 1982 fifteen seniors and sixty-four juniors were inducted into the National Honor Society. The ceremony was conducted by President Debbie Frank, who explained the requirements for membership. Vice-President Tricia Seich presented the candidates and administered the oath. Instructions were given by Janelle Flury on character, Kelly Leatherman on scholarship, Pam Givens on service, and Scott Kozinski on leadership. Mr. Ed Kirkland, who has worked closely with the society and its members for the past nineteen years, was inducted as Honorary Member. Refreshments were served in the cafeteria following the ceremony.

English

The English Department at Perry offers students a wide variety of courses to meet their interests as well as their particular needs for the future. Sophomores may take a full-year course at the college prep, regular, or practical level. Juniors and seniors choose from twenty-one different one-semester courses to fulfill their graduation requirements. These semester courses range from poetry, mythology, and mass media to popular literature, advanced composition, British literature, and grammar review. Also, the year course, Advanced Placement English is available for those students who wish to qualify early for college credit.

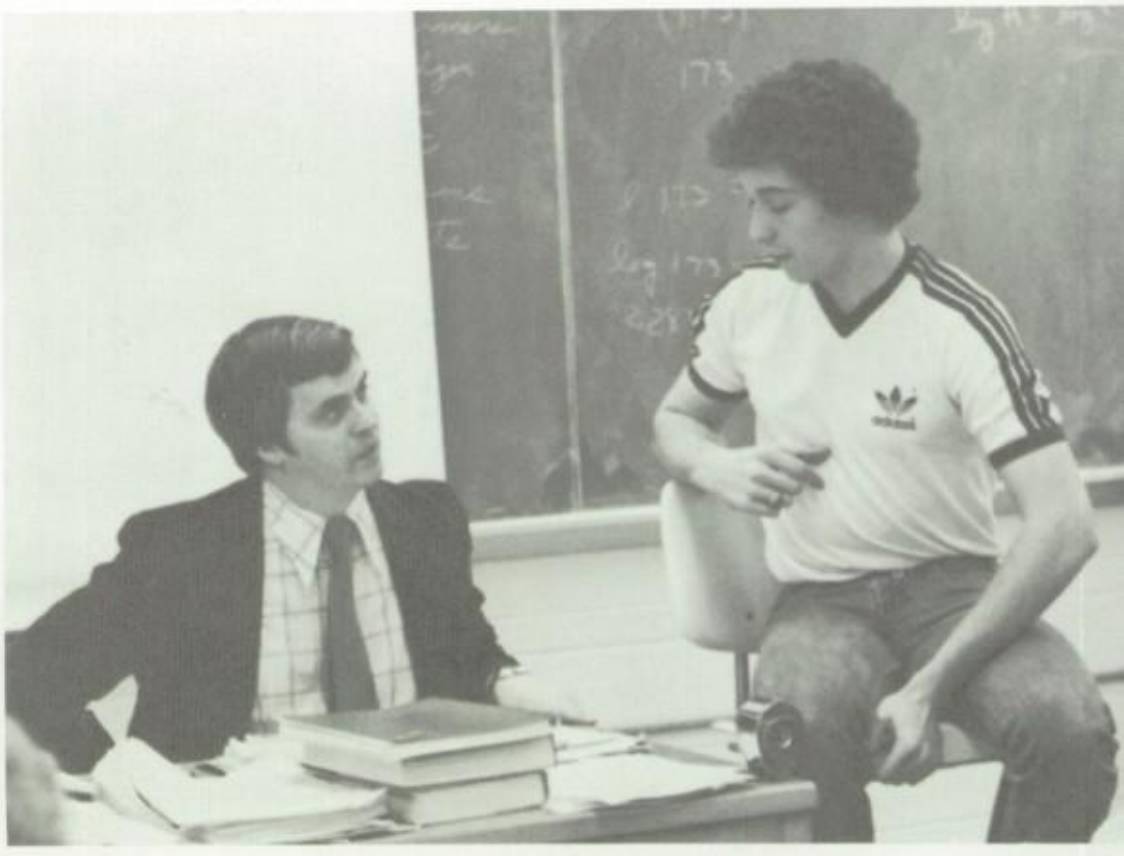
Language teachers emphasize good communications

Foreign Language

In the Foreign Language Department, students can choose to study Spanish, French, or German. Students may take up to five years of Spanish or French or two years of German. In addition to the more obvious parts of studying a foreign language—vocabulary, spelling, syntax, and inflection, students learn about the cultural aspects of their country, items such as foods, celebrations, costumes, literature, and folklore.

Top: Junior Maria Magisano tries to translate her Spanish II lessons. Above: FOREIGN LANGUAGE DEPARTMENT—Mrs. Leontas, Mr. Perez—Chairman, Mrs. Miller.



Social Studies

The Social Studies Department offers no only history and government, but also othe elective classes such as psychology and soc ology, which deal with understanding huma beings. Also included are several geograph classes, and an economics class. As with othe departments at Perry, most of these course are offered on college prep, regular, an practical levels to better suit the student needs and abilities.

Math

Teachers provide guidance that adds up to a good education.

Perry's Math Department is extensive in its course offerings. Algebra I, Geometry, and Algebra II with Trig are basic. Some students then take Pre Calculus, a study of Trigonometry to prepare them for Calculus. Successful completion of this college course will usually test a student out of the course in college. Statistics and Probability teaches students how to collect and use data effectively. Review and Shop Math are for students who wish to take a simpler, more practical math. Computer Math explores the functions and uses of today's computers.

Science

The Science Department offers five courses in both the physical and biological sciences. Environmental science deals with the earth, its oceans and its atmosphere. Biology is a study of living organisms. Chemistry emphasizes the structure and composition of matter, and Physics deals with the principles that govern the events in the universe. Physiology is an intensive study of the functions of the body.

Useful skills for living

Home Economics

The Home Economics Department offers a variety of comprehensive courses that survey the different areas such as cooking, sewing, and decorating. In addition, students may elect more specific courses such as Child Development, Skills for Living, and Creative Home Interiors. By selecting courses wisely, both male and female students can learn the skills needed to run a household, raise a family, start a career, or live independently.

Industrial Arts

Students who are interested in the Industrial Arts area have two basic options. They may elect to take broad, introductory courses such as Graphic Arts, Drafting, Practical Electricity and Home Maintenance, and Power Mechanics. Those students interested in developing more definite occupational skills may elect to take the two or three year courses in Wood, Mechanical Drawing, or Electricity.

Vocationa

The Machine Trades class teaches youngsters to operate milling, grinding, and drilling machines, as well as blueprinting and layouts.

Electronics is designed to help students develop skills in atomic theory and in circuit analysis.

Building Maintenance introduces students to the various construction fields, including carpentry, masonry, painting, and plumbing.

Auto Mechanics class includes the repair of cars and instruction in the use of special equipment needed in the repair of cars.

The Welding department offers instruction on certain welding processes, mechanical drawing, and flame cutting.

Diversified Health Occupations is a study of the skills and knowledge necessary in the many health-related jobs available in our society.

Graphic Arts concentrates on skills such as screen process printing, offset printing, photography, layouts, and design.

Office skills are mastered for job or personal use

Accounting and Computing offers training in many fields which may be used for bookkeeping and data processing. In the General Office skills are used to prepare participating students for such occupations as secretary, bookkeeper and any other office related job. Typing, shorthand, transcription, and word processing are skills perfected in the Steno-Secretary program for a variety of office related jobs.

Non-vocational business courses stress general skills such as typing, shorthand, and accounting. Business Law and data processing courses are also offered.

Special Education is a program designed to offer courses that will satisfy the requirements for graduation. Besides the special instruction, many students take part in work study programs to get vocational experience.

Students in the Work Study programs attend school one-half day and work at least fifteen hours per week. Students in Multi-Area Job Training may work in any home ec related occupation; Cooperative Office Education is a practical study of distribution and marketing; Occupational Work Experience is general training for those who do not plan to further their education after high school.

The Physical Education department offers a wide variety of indoor and outdoor activities. Each student is required to take two of the numerous nine-week courses, and a student can satisfy virtually any special needs or interests in the physical education and health area. Courses offered range from slimnastics, self-defense, modern dance, flag football, and soccer to water polo, archery, swimming, volleyball, basketball, gun safety, and lifesaving.

Music

Perry presents a well-balanced instrumental and vocal music program. Five bands, under the direction of Mr. Wenger, and seven choirs, in Mr. Lucas' charge, perform in a large variety of contests, concerts, and performances during the year. The students in both areas are well aware of the long hours of hard work and conditioning that are necessary to prepare them for each performance. For the serious music student, two other courses are available. **Music Theory** is a study of chord, scale, and ear training; **Music Literature** teaches appreciation of different musical styles and explores the historical development of music.

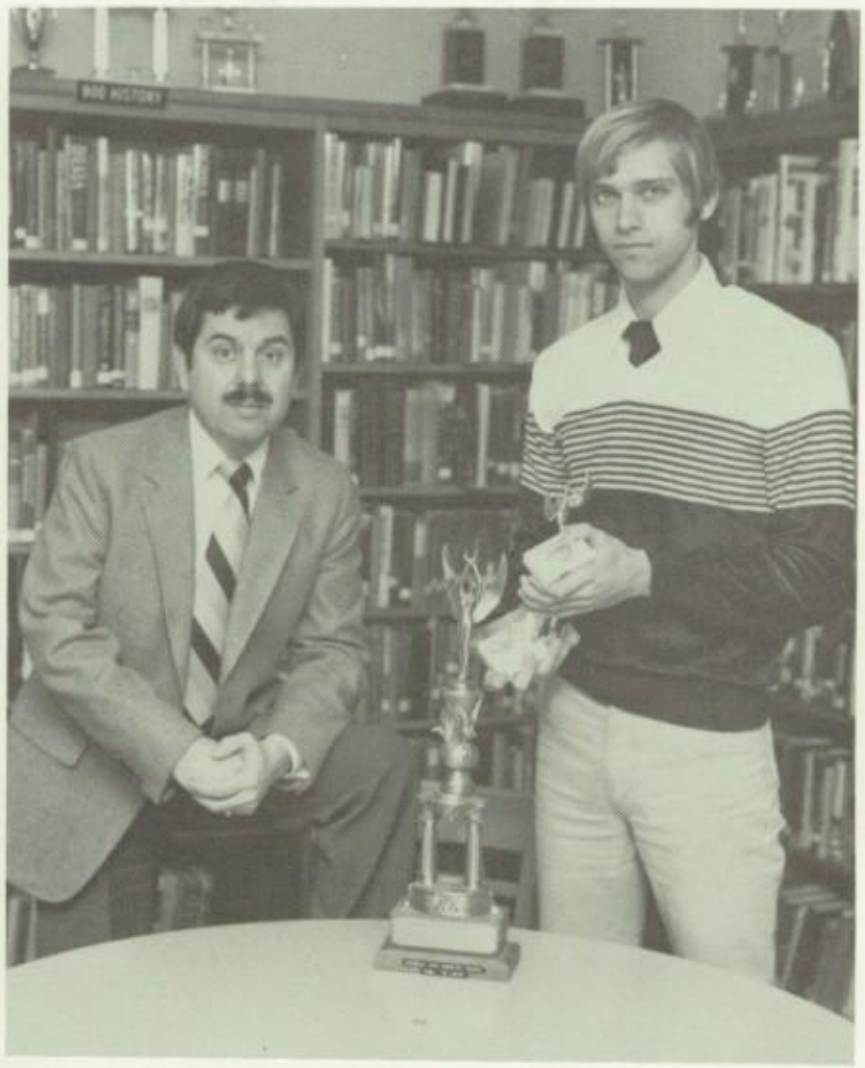
quality performance.



Speech and Debate

The various speech classes are offered to help students improve their public speaking ability and to channel interested students into the various NFL speaking activities. In Debate class, the student learns to research, organize, and effectively present an argument. Drama, a speech and English elective, is a study of theme, plot, authors, and eras of world drama.

Variety of media and development of skills stressed in Art

Art

From Art I to Art IV, a variety of skills and projects are stressed. For many students, this is a time to express themselves while escaping some pressures of academic studies, but for others it is definite preparation for their future.

Counselors provide advice, information, and a listening ear.

Guidance

The Guidance office is the center of many activities. Year round, classes are being scheduled or dropped. Students bring their problems, academic and domestic, to the counselors. Room assignments, Honor Society choices, class ranking and grades, and test scores are only a few of the matters very capably handled by the counselors.

part of academic life at PHS.

The A-V Department is indispensable to teachers as the supplier of record players, overhead and filmstrip projectors, videotape machines, tape recorders for supplemental use in the classroom. Film rental, scheduling, and viewing are also an important part of this group of hard-working individuals. In addition, they are helpful in presenting plays, concerts, programs, and even certain community activities.

The Library offers books, magazines, tapes, filmstrips, records, and a variety of other types of materials to students who wish to read a good book, do research, or generally supplement their classroom work in a particular subject area. Also, by maintaining current resources, the library is very helpful to faculty members who wish to expand their own teaching material and methods.

Key personnel undergo changes at Perry High.

The 1981-82 school year saw another first at Perry as Mr. William Roland, a member of Perry's first graduating class, took over as principal. Mr. Roland has had various teaching and administrative posts and served as assistant principal at PHS since 1976. Mr. Ray Fortner, who has spent sixteen years associated with Perry Schools, replaced Mr. Roland as assistant principal; for the past five years, he has been assistant principal at the junior high. In addition, Mr. Joe Demaree, a biology teacher and head football coach, assumed the responsibilities of athletic director and numerous other duties in the athletic wing of the building. This year also saw a new smiling face outside Mr. Roland's office door. Mrs. Linda Petrovich, who has worked as a secretary at various grade schools, became secretary to the principal. Also over the summer, Mrs. Nancy English, the clerk-bookkeeper at the high school, became Mrs. Harry Hall. Even with all these changes, the 81-82 school year progressed at a rapid and smooth pace.

You're wrong there. For one thing, five exchange students popped in from foreign countries.

Yeah, anything else?

Yes, many of Perry's students received awards and honors this year. Most of those students are featured in this section.

Ok, I was wrong. Some new things did pop up.

J.A. EXPERTS

The Junior Achievement Company "Universal Timeworks", sponsored by White Engines, Inc., received the Blue Chip Co. Award. UTW took first place out of thirty J.A. companies. The thirty teens in the company made and sold agate clocks, Christmas ornaments, citronella candles, and planters. UTW was honored with a dinner at the Canton Club, and each member received a plaque. The officers are Diana Milnac – Vice-President of Production, Mike Dennis – President, Mark Milnac – Vice-President of Marketing, and Deirdre Callagan – Vice-President of Finance.

At the year-end J.A. Future Unlimited Banquet, Mike Dennis was honored as president of the year; he and Deirdre Callahan also received scholarship money and stock awards for their outstanding accomplishments in J.A.

WINNING TEENS

Scott Kozinski, chosen as a **Canton Repository** Teenager of the Month for September 1981, has a 3.76 grade average. He served as class president for three years and has assisted in the Perry Midget Football League. Scott, also named Perry Rotary Student of the Month, plans to study chemical engineering. Debbie Frank was chosen Teen of the Month for December 1981. A straight "A" student, she is vice-president of the **Rep.** Teen Board and received the Massillon DAR's Good Citizen Award. Planning to pursue a career in nursing, Debbie does volunteer work in several area hospitals.

NATIONAL MERIT SCHOLAR

September brought news from the 27th annual Merit Scholarship Program that a Letter of Commendation was to be presented to Jane Matthews. She scored among the top 51,000 students in the current competition of 1.2 million who took the qualifying test. According to a spokesman for the NMS Corp., we will "benefit from the continued educational and personal development of students such as these, for they have shown exceptional promise." Well done, Jane!

CAN DO AWARD WINNER

At the Achievement Banquet each spring, the Perry Woman's Club honors a Perry High School student with its Can Do Award. The purpose of this award is to give recognition to an individual who has struggled and achieved success against a great obstacle or overwhelming odds.

This year's winner of the Can Do Award is senior Pam Givins, the daughter of Mr. and Mrs. Paul Givins. In addition to having her name inscribed on the plaque displayed in the PHS office, Pam is the recipient of a fifty dollar bond and a trophy that is symbolic of her achievement. On behalf of the Perry Woman's Club and everyone at Perry High School, congratulations Pam!

June 13-20, 1981, Kelly Leatherman, Debbie Frank, and Cindy Andaloro attended Buckeye Girls State at Ashland College; Thom Winkhart and Scott Kozinski attended Buckeye Boys State at Bowling Green S. U. June 21-28. These one-week seminars on government-in-action, sponsored by the American Legion and Auxiliary, were filled with lectures by state officials, caucuses, voting, and participation in a mock government. The experience helps students to understand the government, to become better citizens, and to meet new friends in a college campus setting.

Five participate in mock government.

Loveless is national champion!

On March 19-20, six Perry vocational business students competed in the Ohio Office education Association Contests in Columbus. Chuck Loveless, who is in the Senior Accounting-Computing program, placed second in the Accounting and Related II contest. Chuck, a member of the Honor Society and son of Mr. and Mrs. Eugene Loveless, then competed in the national contest April 24-27 in Nashville where he placed fourth out of the top fifty accounting students in the nation.

Burleson goes to Washington

Dave Burleson was chosen to attend the Presidential Classroom for young Americans which was held in Washington, D.C., July 25-31. Many Representatives, Senators, and other top officials were present, speaking on foreign policy, the economy, and on general politics. This yearly event is centered around the workings of the U.S. Government.

Science Fair Winner

Karen Kress received a superior rating at the Stark County Science Fair held on Friday, March 5, at Malone College. Karen's rating was for her Health Science endeavor of "Bauer-Kirby vs. M.I.C.," a comparative analysis between two types of antibiotics sensitivity testing. Karen then competed in the district science fair on March 27 where she also received a superior rating. At the State Science Fair on April 17 at Ohio Wesleyan University, she also received a superior rating. She has the distinction of being only the third girl from Perry to ever receive this high rating. Congratulations to another deserving perryite!

Award winning paper carrier

Jeff Snyder was named by the **Canton Repository** as "Paper Carrier of the Year." To qualify for this honor, he delivered papers for four years, filled out an application, and composed a two hundred word essay entitled "Conducting My Own Business as a Paper Carrier Has Helped Me in What Ways?" Jeff received a seventy-five dollar U.S. Savings Bond, a certificate, and an Honor Carrier paper bag to commemorate his hard work.

Business Ads

Although this section of the yearbook is often overlooked or, even worse, ignored, we, the yearbook staff, feel that it is a rather vital part of our publication. These patrons and advertisers have helped to support the 1982 **Clock.** We hope that you, as members of the community, will help to support them by patronizing their business establishments.

The 1981-82 school year has come to a close, and many new people, ideas, and traditions have "popped up" at Perry. These "new things" were beneficial for everyone at Perry, and the new administration strived to bring student participation and enthusiasm up by lauding the accomplishments of Perry's students. Many more students became involved and made the name, **Perry High School,** one that made people stop and think. The students should be given a lot of credit, for if the students had not had the ideas for improving PHS, then we would be just another ordinary school. The yearbook staff of 1981-82 would like to thank the administration, faculty, and students for all of the great memories. Keep it up and many new and better things will "pop up" for Perry in years to come.

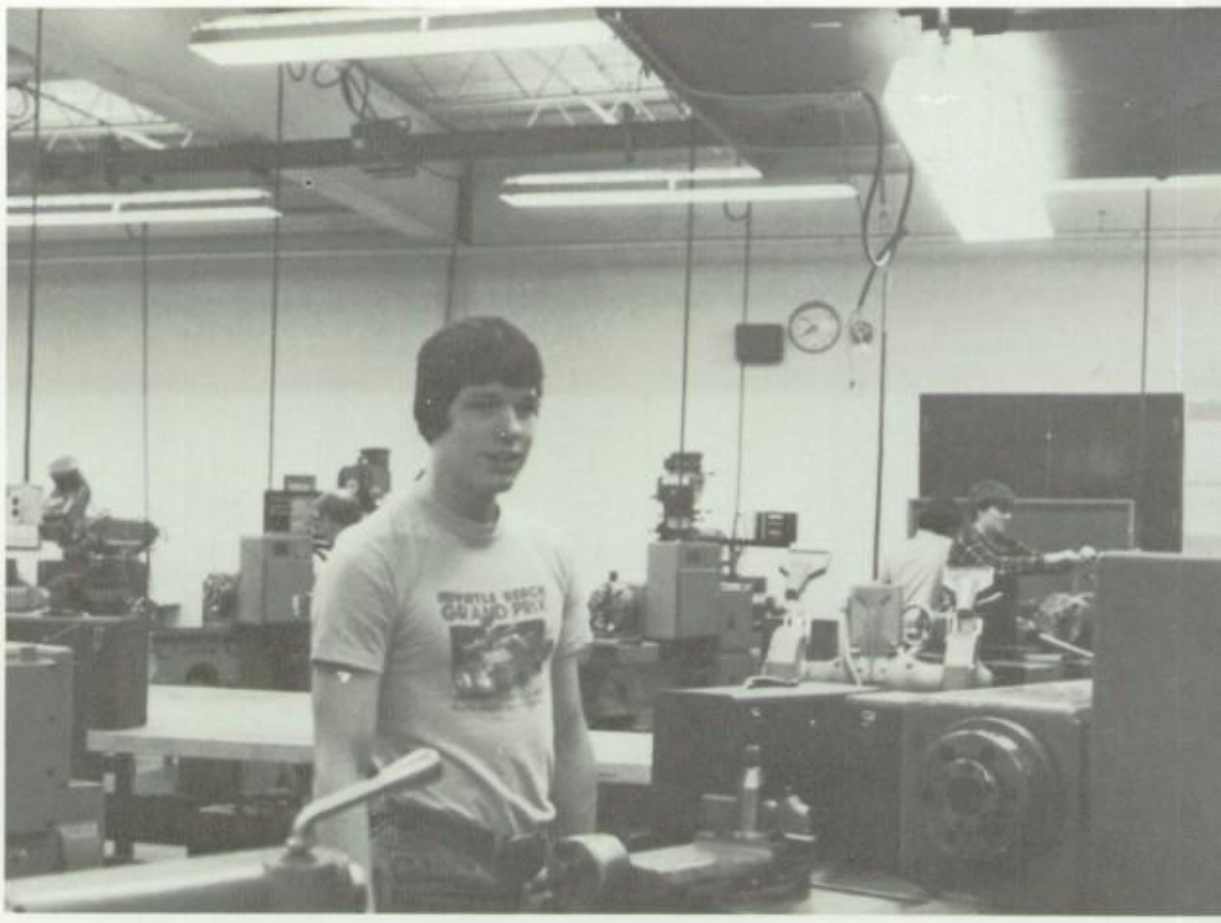
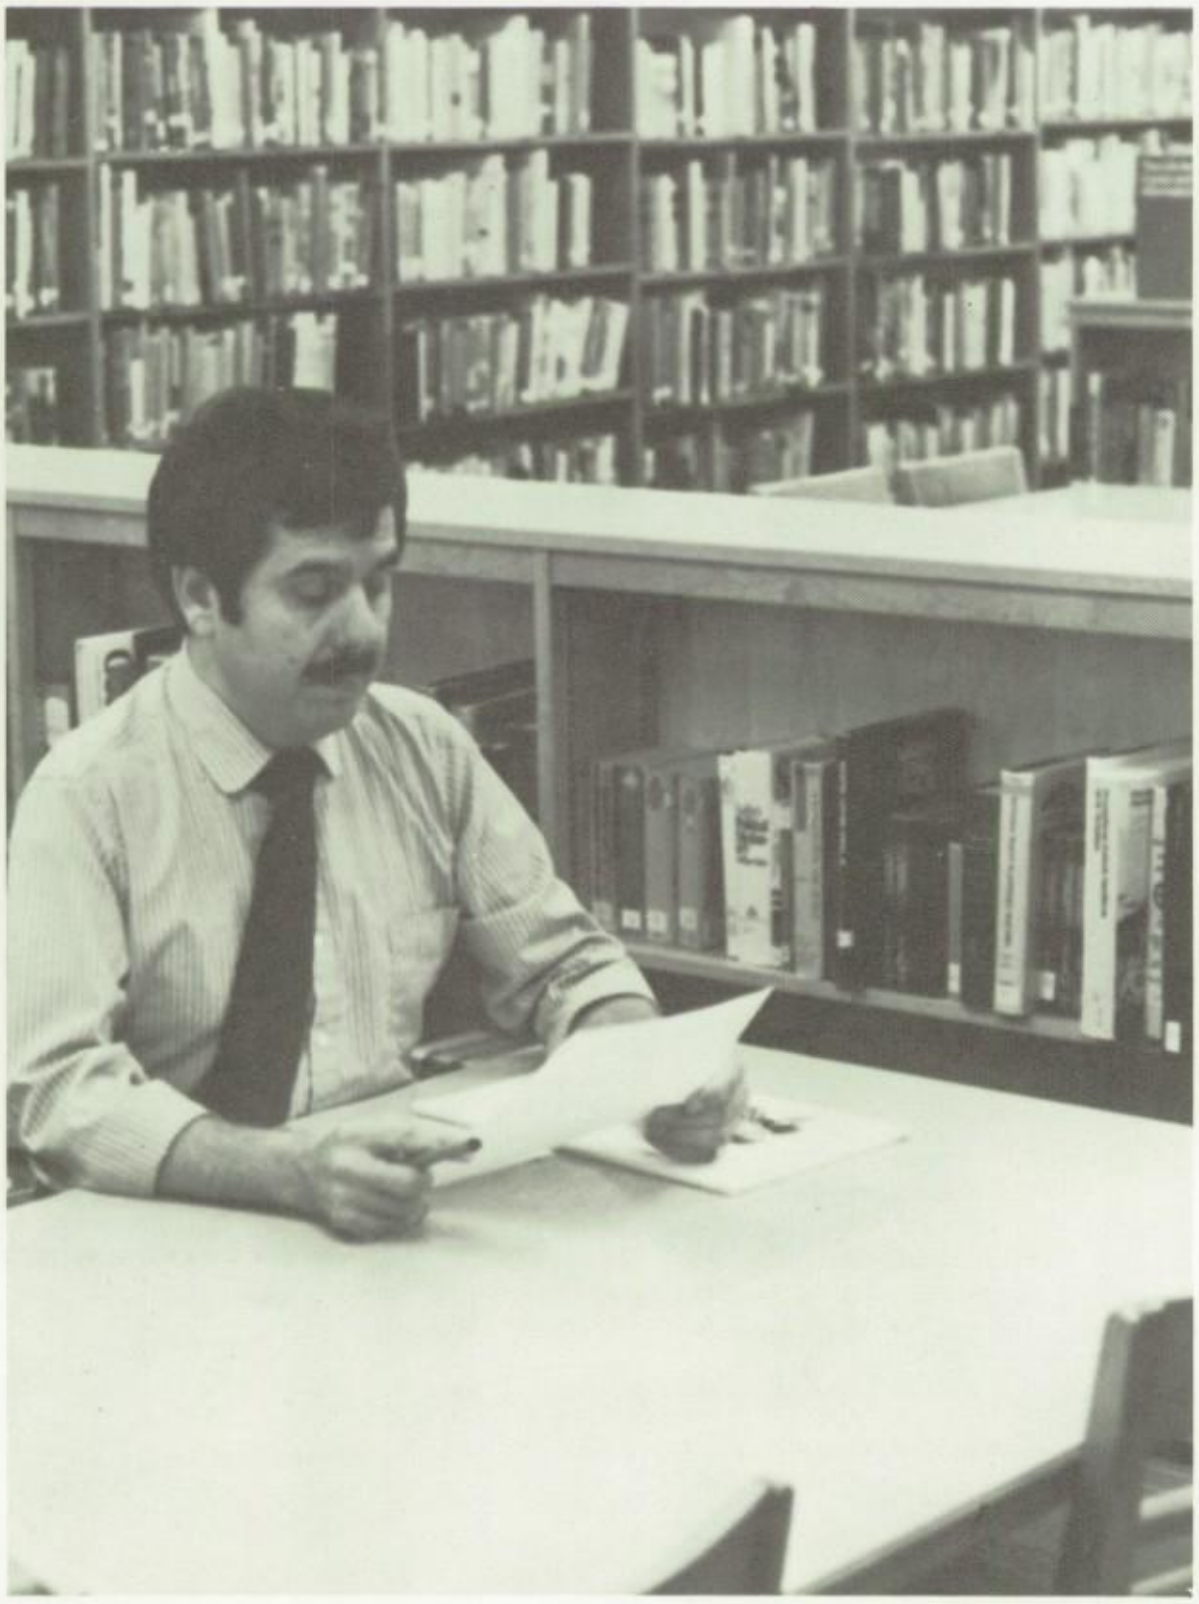
The 1981-82 school year had many students who were honored with awards. Many athletic teams and extra-curricular groups also made accomplishments and received honors. This spread is devoted to giving recognition to some of those people and groups. Congratulations to all who were honored.



Right: Ernie Wanner in action at what be does best—machine trades. As a junior, Ernie competed in the state machine trades competition and placed 5th, and in his senior year, he once again competed, placing 2nd. He bas been recognized as a Superior Machine Operator. Congratulations Ernie! Below: This year Canton's WJAN Channel 17 televised some of Perry's basketball games. This coverage marked the first time any Perry athletic team was recognized on a scheduled basis by a television station.

The Perry Kinsmen, Acapella and Chorale choirs all received three superior ratings at district and state competition this spring. Both of these fetes were firsts for the Perry choirs. The Stage and Concert bands also received superior ratings at district and state competitions. All in al Perry's music department came away with 3 superiors and 2 excellent ratings at the compet tions.

On April 30th, 1982, forty-seven students departed from PHS for Ashland College to participate in the Ohio Tests of Scholastic Achievement. The students were chosen by teachers on the basis of knowledge in academic areas such as English, mathematics, history, government, and science. Overall, Perry came away with 24 district awards and 11 state awards. Congratulations!

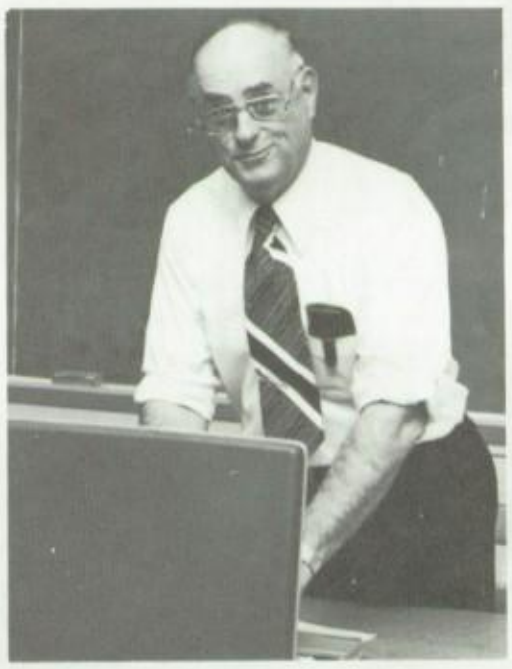


Louie Mattachione, director of Perry's "Little Broadway" and speech coach for 21 years, was selected for the charter class of the Ohio High School Speech League Hall of Fame. He received this award along with 8 other speech coaches from all over Ohio. Congratulations Louie!

Alma Mater

To Perry High
Thy honored name
Brings loyalty
and cherished fame.
Tears may fall
and memories fade,
But friendships true
will long remain.
For the knowledge
that you gave
The path of life
Has brightly made.
Raise in chorus
loud and clear
To Alma Mater
Oh, so dear.

Mr. Vincent Snyder retired in 1982 after 32 years of teaching. He taught in the senior O.W.E. program.



Mr. Stephen Heigl retired in 1982 after 19 years of teaching. He taught government at Perry.

Mrs. Bette Miller retired in 1982 after 12 years of teaching. She taught in the D.H.O. program.

On Thursday, May 13th at 3:15, the second annual choir-band basketball game took place in the girls' gym. The band was led by captain Kevin Knoch and coach Brian Barr, and the choir was led by captain Mark Isler and coach Chris Ramos. The game, which ended in a victory for the band by a score of 47-24, was refereed by Mr. Roland and Mr. Demaree, and Mr. Featheringham worked the clock. To show their support, the pep band played and four choir members dressed as "punk" cheerleaders. The idea for this game was introduced last year by Kevin Knoch who says he hopes it "will become a Perry tradition."

What's this?

Something new—a closing section.

Closing? I guess that means that all the new things are finished?

Wrong. With the end of the year comes preparation for next year.

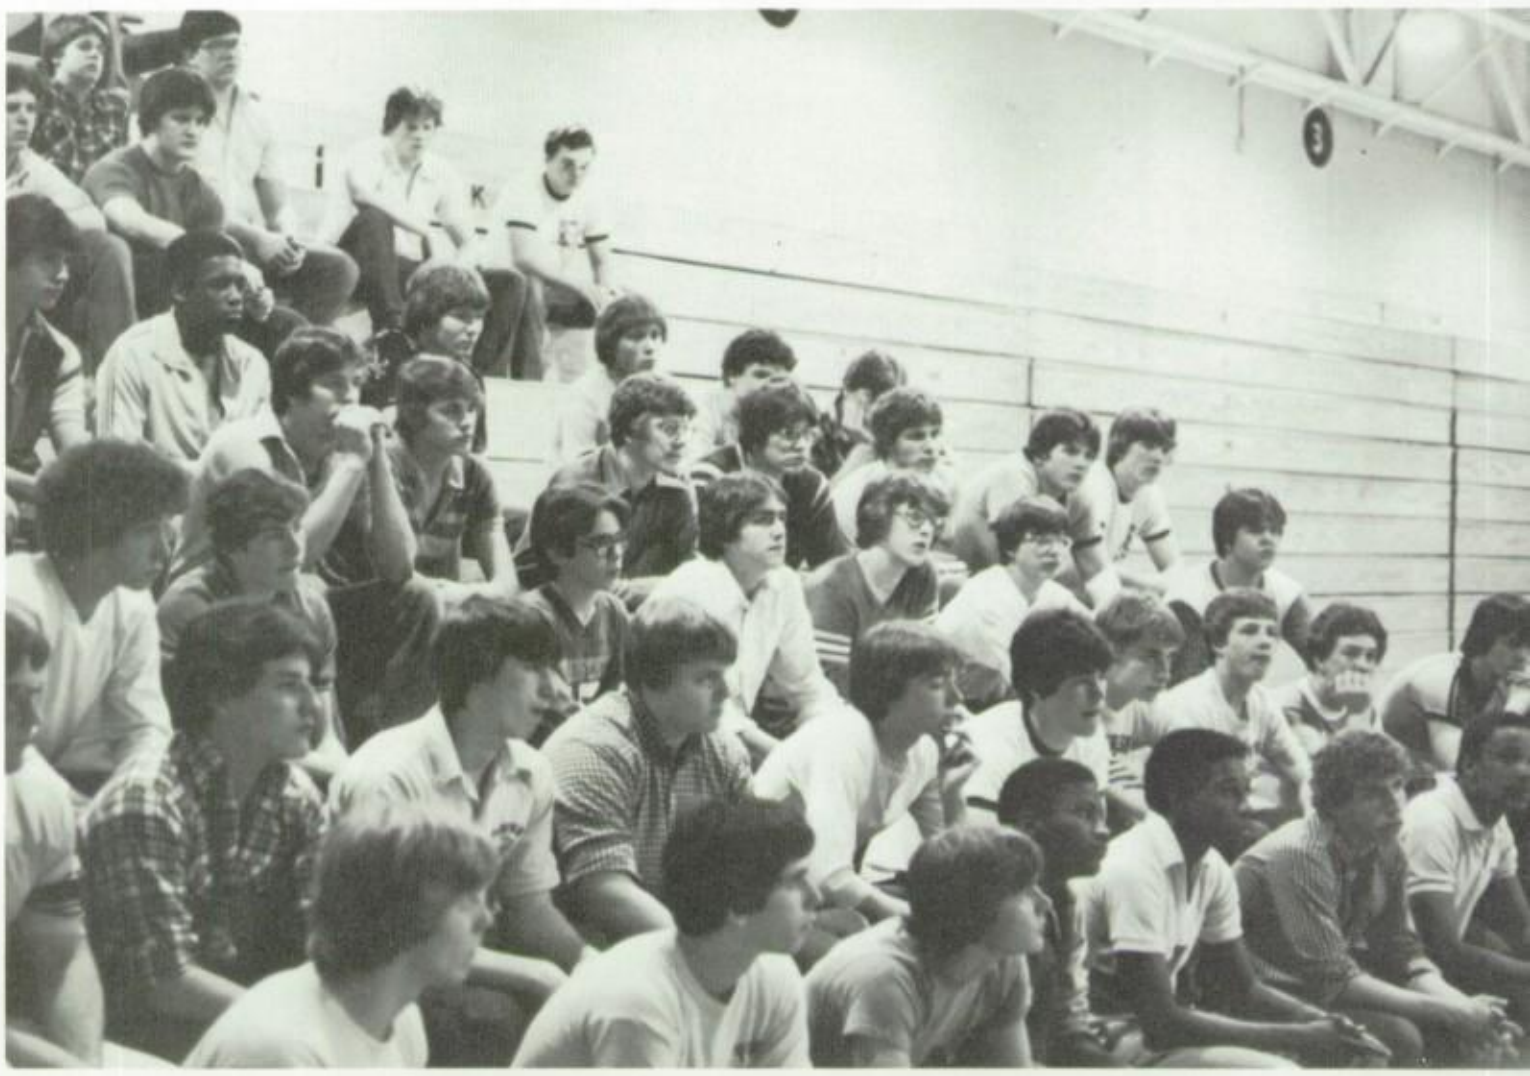
Well, everything will be the same as this year.

Not true. Perry has a new football coach and a new team.

And a new cheerleading squad!

Right! I think you've finally caught on.

At a special board of education meeting on Sunday, April 11th, Mr. Keith Wakefield was hired as head football coach for 1982. Coach Wakefield was head coach at Austintown Fitch High School, compiled a 13-5-1 record over the past two years, and was also named Coach of tbe Year from Region Eight. Mr. Wakefield graduated from Otterbein College in 1971 with a Bachelors Degree in physical education and biological science, and is going to teach in the O.W.E. program at Perry.



Coach Wakefield met with prospective football players to discuss plans for the 1982 football season.

After several weeks of rigorous practice and two sets of tryouts, the 1982-83 cheerleaders were chosen. Members of the varsity squad include Diane Eliades—Head Captain, Kerri Blythe, Lori Christopher, Tawnia Dennis, Debbie Norcia, and Sharon Williams. The junior varsity squad consists of Patty Sweeney—Captain, Shelley Chaddock, Lillian Lancaster, Tina Perretta, Kelly Russ, and Dee Ann Valasky.

Colophon

The 1982 edition of **The Clock** was compiled in room 20 during 17-18th mods and after school. Over 500 hours were spent on its completion. Before a page was sent to Inter-Collegiate Press in Shawnee Mission, Kansas for printing, brain storming took place, a dummy layout was made, pictures were taken, chosen, and cropped, copy was written and typed, the final layout was placed on a 3-R planner, all materials were marked with job number 22760 and placed in a special envelope. The yearbook's specifications include four-color on 7 pages, mosaic layouts, Optimist bold type, 240 9x12 inch pages, and a black shoegrain cover with silver and yellow silkscreening. A four-page gatefold was added to follow the book's theme, "New Things Keep Popping Up."
